

COMMUNITY Chesed Fair

This hands-on, interactive event is structured like a conference Expo, where each organization will host a table highlighting their work and volunteer opportunities. It's a perfect opportunity for students, parents, grandparents and people of all ages to find meaningful ways to give back tailored to their interests and schedules.

- Meet representatives from dozens of inspiring nonprofit organizations
- Explore Mitzvah Projects, family volunteering, summer internships and community service hours
- Discover how you can make a difference locally, in Israel, and around the world
- Walk away with real concrete and meaningful opportunities to get involved right away
